Anderson Area Medical Center

**Coordinates: 34 30 36 N
82 38 48 W**

Procedure: Notify ED @ 864-512-1334 and let them know of inbound status and ETA. They should Notify security, but security requests you notify them also @ 864-512-1250. They will meet you at the pad with a stretcher and escort you to the hospital. Pad is concrete and beside street and parking lot on south side of hospital. Pilot can activate helipad lights by transmitting on Freq 122.9.

AnMed Helath Campus

Coordinates: 34 32 42 N
82 37 42 W

Procedure: Call Medshore at (864-224-4444 or FREQ VHF 155.385 PL 154.4) to let them know of inbound status and ETA to location. They will have an ambulance meet you to take you to Anmed apx 4-5 miles away from health campus. This is a picture of the Health Campus. They land here due to no helipad at main hospital. After calling Medshore, call Anmed Security at 864-716-6500 to let them know of inbound status and ETA.
